

July and August for \$65.50

Get in on the *XTRA* fare — a special combo for the months of July and August for students 17 years old and under. This fare will be available from June 20 to July 19 for \$65.50. In other words, when you purchase your July subscription you can add just a little \$8.50 *XTRA* and get August too!

Take the bus for \$1

From June 1 until Labour Day, every time Environment Canada issues a smog warning, transport will only cost \$1 the following day on the entire regular network. Leave your car at home and help improve air quality.

Did you know?

Laval has some 230 km of bicycle paths. Take advantage of the great weather in getting to work or going on a family outing. Travel a bit more by combining bus and bike thanks to bicycle racks mounted on all our buses. Enjoy!

STL Brigade is back again!

This summer, the *STL Brigade* will, once again, criss-cross the city to promote our services while holding numerous contests. You will see them in most Laval events. Don't be shy to come and say hello!

The *Grande fête des pompiers* will be held this coming June 1 to 3 at Centropolis and we will, once again, be there with our offerings and a big contest!

Are you participating in the Sunday-June-3rd *Course des pompiers*? We are offering a

free

all-day shuttle service
for all runners.
