

Three special offers for the Holidays

Find the magic of the Holiday Season across the entire STL network! December 22 through January 6, the free 360 shuttle bus runs 7 days a week downtown, and children ride for free* on the regular network. There's more! On December 24 and 31, everyone rides for free on STL buses all day long, into the wee hours of the morning!

*Certain conditions apply.

New types of single-ride cards

In November, the STL introduced non-rechargeable smart card loaded with a single fare with transfer or a set of eight (8) trips*, usable across the regular STL network.

These may be purchased at the metropolitan ticket offices and fare vending machines at the Cartier, Montmorency and Le Carrefour bus terminals.

*Regular fares only. Non-exchangeable, non-refundable.

Improved network service

The STL winter schedule comes into effect on January 6. More departures have been added. Buses 42 and 48 will now pass every 15 minutes. Bus 942, which we began testing in the fall, will see its afternoon service upped as well.
